Mr. Deron Gulazian
President
NEWBURYPORT SHRINE CLUB
53 Kent Street
Newburyport, Massachusetts

Dear Noble Gulazian:

On January 16, 1957, I wrote to you with reference to investigating the cases of Benjamin Kiman, age 18 months, and Joseph Kiman, age 1 month, sons of Benjamin Kiman, 48 Franklin Street, Newburyport, Massachusetts, and requested you, as President of the Newburyport Shrine Club, to have a Noble in your area assigned to investigate to determine whether or not the children are eligible for treatment at the Shrine Hospital in Springfield. Two sets of Applications for Treatment were also sent to you at that time.

The Director of the Hospital has just advised us that Applications for Treatment for these children have not been received to date.

As these cases are now three months pending, the Director would like to know if the parents of the children are still interested in filing the Applications or whether the Hospital should close the records.

Thanking you for an early reply, I am

Sincerely yours in the Faith,

Harvey B. Leggee, Recorder
